- Brand-new labyrinth of tunnels and domes, which will be filled with colour and light. May 24th-June 1st. Lakeside Arts, Beeston.
- Green Hustle is all about encouraging people to get planting and to get involved with their community. May 31st. Old Market Square, Nottingham.
- Jurassic Cove Adventure Golf. Stockhill Lane NG6 0RH.

Active Living – Kurling

On the 13th of May at Harvey Haddon Leisure Centre in Nottingham four students represented Sutherland House School in an inclusive indoor Kurling tournament organised by Sports Nottingham. The four students were: Jacob, Kurt and Mckenzie from Class 7 and Ethan and Thomas from Class 10.

All the students demonstrated enthusiasm and great effort during each event. The experience was extremely positive, and all the students appeared to enjoy this well organised inclusive event. The standout moment was when Kurt won two games in quick succession for us beat Christ the King in the second game. All the students demonstrated great accuracy with the discs and good sportsmanship throughout the game. The scores are as follows:

- Sutherland House School 2 Christ the King A 2
- Sutherland House School 3 Christ the King B 2
- Sutherland House School 2 NUSA 3
- Sutherland House School 4 Southwell Minster 3

Warning Zone

Warning Zone is a Leicester based charity dedicated to teaching life-skills and safeguarding children. Their mission is to deliver life-saving messages to children and young adults, catching them during key transitions in their lives. At these stages in life, individuals are given more independence and will be responsible for their actions, behaviours and decisions they make; both in their day-to-day life and online. At the Warning Zone state-of-the-art facility, the aim is to educate young people on understanding risks, peer pressure, anti-social behaviour and consequences. With the internet and online presence being so widely accessed from a young age, their new E-Safety zone educates individuals on cyber-bullying, grooming, scammers and much more. Students at SHS visited here on Tuesday 6th May and took part in a range of activities, which supported them in their understanding of responsibility and gave them valuable opportunities to engage in role-playing activities. Topics explored included, peer-pressure, staying safe in our local community and online, fire, road, water and railway safety. The students engaged very well in this trip and we look forward to returning.

Local art

This half term, pupils have been exploring doodling and graffiti. Nathan, a local artist came into Sutherland House School to do a doodle workshop with our pupils. This was thoroughly enjoyed and pupils created excellent pieces of art. Pupils also took a walk around the local area to spot legal art exhibitions too.

Student council

Written by Ethan Barnes

At school council there were volunteers from classes 4, 8, 10, 12, 13, 14, and 15. We talked about what students like to eat at school and don't like to eat at school. We also voted about if we thought there is enough time for lunch and if there were enough options. Everyone voted yes for both questions. Some people also said extra ideas about what would make lunch better.

Author visit

Gareth baker: author, storyteller and patron of reading, paid primary a visit at Sutherland House School! Pupils explored the wonderful world of super heroes through dress up, role play and literature!
